Student support

## Disability support

---

Advice on how to get study support for a disability, including guidance on providing supporting documents, getting a diagnosis, and exploring funding options.

### Requesting alternative exam arrangements

To guarantee [consideration of alternative exam arrangements \(AEA\)](#) for the TB-1 assessment period, submit a [study support request \(SSR\)](#) by 11:59 pm on Thursday 23 October 2025.

You can still request AEAs after this deadline, but we cannot guarantee they will be put in place for the TB-1 assessment period.

### Students we support

We support all students who identify as disabled, including those with specific learning differences, mental health conditions, and physical or sensory impairments.

### Tell us about your disability.

Tell us how you are impacted by your disability. We can create a study support plan and support you in your studies.

### **View or update your study support plan**

Once your study support plan is in place, log in to view or update with any changes.

### **Study and assessment support**

Types of adjustment we can recommend to your teaching, learning, and assessment. Including exam arrangements, and specialist support.

### **Funding**

Funding options for UK and international students and how to apply. Including Disabled Students' Allowance (DSA).

### **Contacts**

Ways to contact the different teams involved with disability support.

### **Getting around campus**

Information about building accessibility, disabled parking, and adapted student accommodation.

### **Information for DSA suppliers**

Information for external needs assessors, support workers, and assistive technology trainers about the support available.

## **Confidentiality statement**

How we share information about you and your support needs.
